leading to the issue of GO of 25-2-53 / flg Z directing that the area may be handed over to the Dasara Exhibition Committee

These orders were passed after it was reported by the chairman, Mysore Trust Board that there are no records to show that the area was acquired by or vested in the Trust Board this was also approved by the Minister for P.W.D & Revenue, the Minister for Education & the Minister for } Paras 58, 59 & 60 of the note of the collection flg Z.

7. Now the Municipal Council have passed a resolution to the effect / flg 17. that the present arrangement of the control of the Teevan rayawa Matter by the Trust Board ~~may be altered~~ tank bed area may be allowed to be continued, allowing free use of the land to the Dasara

Exhibition Committee whenever it is needed by the Committee. please see the letter of 28-4-53 of the President of the Mysore city municipal council flagged P.

8. The chairman of the Mysore Trust Board has now quoted in his note (flg R) certain previous references in support of the claim that the area belongs to the Trust and - which he omitted to report to us previously. When he says that there are no records in his office - please see his letter of 15-10-52 (collection in T.B. 26-52-8) flg O / Now several cases have been quoted in support of the claim. Before the several aspects of the finds now noted are examined, a detailed plan showing the area, the properties acquired, as noted in his note flagged R, is perhaps necessary.

9. But the resolution passed by the Mysore city municipal council appears to be reasonable the object of transferring the area to the Dasara Exhibition Committee was to see that the Committee may utilise the area without any restriction to cope with the increased demands for space. flg M /

to which, the Veeranarayana Katte
was handed over to the Mysore Trust Board
with the condition that it should be utilised
for the purpose of public entertainments.
This order was issued in the year 1939 from
the A & 7. Branch. ~~Naught the other~~ hearing
it may be pointed out in this connection

Disposal of Seevaroyadu Tank bed area in Mysore. (7)

The collection leading to the issue of GO dt 20-9-39 is not available in General Records, this item is found abstracted in the Monthly Proceedings of the year vide flagged

20. It may be pointed out in this connection that the all the confusion is due to the chairman not being himself aware of the orders passed in 1939 and furnishing a misleading report to Govt, when specifically asked for repeatedly. All the trouble and embarrassment could have been saved, if the Trust Board office had been diligent and made a proper search to trace the order earlier.

21. The chairman has sought the issue of revised orders now to permit the ownership of the area to continue to vest in the Board. He says that the Trust Board will cooperate with Govt whenever the area is to be made available for public purpose as and when directed by Govt + that these facts were also brought to the notice of the Hon'ble Chief Minister during his inspection of Mysore city on 16-8-53, when he was pleased to approve of the suggestion. This question was also discussed by the Legal secy with the chairman at the meeting held on 1-9-53 and the following tentative decision was taken:-

> "There is no objection to the Board having this area under its control on condition that no rent would be demanded from the Exhibition authorities for leasing the same to them for Exhibition and also to some other public purpose as and when Govt deem it necessary".

22. In these circumstances, the first for orders is whether the orders passed in GO dt 25-2-53 (flg) may not be withdrawn and revised orders issued, retransferring the land to the Mysore Trust Board

P.T.O.

Disposal of Teeverarayana Katte Tank bed area in Mysore.

(8)

23) If the proposal in para 22 above is approved, the next question to be considered is whether the land may be given to the Exhibition authorities when required free of rent or whether any nominal rent may be fixed. The Trust Board has spent considerable amount for the improvement of the area and it has to spend for the maintenance of the area. The Teevarayana Katte area is situated in a very prominent place in Mysore city. This area should always be kept neat and tidy. The Board has no other source of income to spend for the maintenance of such important areas in Mysore. Whatever was spent, the cost of improving such areas was being met out of Govt grant given to the Trust Board. But the grant-in-aid given by Govt has been reduced. Formerly, the Board grant-in-aid was Rs 2.75 lakhs. Last year, it was reduced to Rs 2 lakhs and again it is reduced to Rs one lakh during the current year. Hence, the Board is not in a position to spend amount on such works. It is perhaps desirable to fix a nominal rent of Rs 10/- per day, when the area is required by the Exhibition authorities, as rent at the rate of Rs 15/- per day has been paid by them during the years 1948 & 49 without any protest. But no rent had been paid during the years 1950 & onwards 1948 & 49, as the Board demanded Rs 25/- per day and as Govt also passed orders stating that the Exhibition authorities need not pay any rent. The Exhibition authorities need not perhaps pay any rent, for the land made available in the ~~past which was taken for~~ the ~~which~~ passing orders ~~retained for~~ the land

(a) that the area should be made available to the Exhibition authorities, whenever it is needed by them, for holding Exhibition and

Vide notes in para above.- (b) that the Exhibition Authorities should pay a rent of Rs. per acre for the period commencing from the year 1953-54;

(b) that the Board should not have any claim on rent from the Exhibition authorities for having made the area available to them in the first.

(c).- that the Board should enjoy the privilege of displaying their exhibits in the Exhibition stalls in this area, free of charge.

(d) that the area should be made available, free of charge, for any public purpose, as the Govt may from time to time direct.

Note on the disposal of the Jeevanarayanakatte grounds, Mysore.

33) The Exhibition authorities have been spending large sums of money every year since the activities of the Exhibition were extended to Jeevanarayanakatte grounds, ever since the year 1948, on the following items of work; apart from the capital investment:-

1. To level up the pits etc., caused by rain,
2. Improving the drains,
3. Formation of roads,
4. For providing permanent Hydrants at a cost of nearly Rs. 5,000/- to create water facilities for the Agricultural and Horticultural Demonstration plots and for fire protection and other demonstration purposes,
5. Permanent Flag hoisting cement concrete base and Ashoka Stupa,
6. Permanent constructions for housing Coffee Bar Milk bars for use during the Exhibitions,
7. Two cement concrete Model houses for demonstration purposes, constructed by the Cement Concrete Association of India, Ltd., Bangalore; these properties are vested in the Exhibition.
8. Cement concreting for the stage portion of the Theatre.

34) In addition to the above, the Exhibition authorities have been incurring the charges on account of maintenance of the grounds, white washing, etc., of the public latrines and the parapet walls alongside the Irwine Road. In recent years, the Municipality or the Trust Board have not been spending anything on account of the above. The question of constructing a permanent stadium, with stalls all round, at a cost of nearly Rs. 2,00,000/- is under the active consideration of the Government. Plans and estimates have already been worked out by the P.W.D., in this behalf.

35) To start the work at any time after the proposals are sanctioned, it is desirable that the possession of the Jeevanarayanakatte area vests with the Exhibition authorities, which means under direct control of

of Government itself. This, of course does not come in the way of people round about Srirampet or Dhanvanthri Road making use of the grounds for recreation purposes, or of the children using it as play ground, as is being utilised now. The Trust Board or Municipality may make use of the area whenever they require for their purposes free of any charges, thereby serving all their requirements. There is therefore no necessity to change the present Government. No. L. 20609/18/I.T.B. 24-52-8 dated 25-2-53 vesting the possession of Jeevanarayanakatte with the Exhibition Committee.

Sir,

Subject:- Transfer of the control of Jeevanarayanakatte tank bed to the Dasara Exhibition Committee, Mysore.

Adverting to G.O.No.L.20609-18/ITB.24-52-8 dated 25-2-1953 on the subject mentioned above, I write to state that the subject came up for consideration at a meeting of the Council held on 9-4-1953. The Council was of opinion that as the tank bed is required by the Exhibition authorities only for a period of about 2 months in a year, the transfer of the control of the same to the Exhibition authorities may not be necessary. The people of some congested parts of the city in the vicinity particularly of Shivarampet and Dhanvanthri road area have been using this ground for recreation purposes in the evenings. School children use the tank bed as a playground. By transferring the control to the Exhibition authorities, the Council feel that the ground could no longer be utilised for the said purpose and people in the locality might resent such a step. The Council have therefore resolved to request the Government to be pleased to allow the Trust Board to continue to be in charge of the area in question. However, the Dasara Exhibition Committee may make use of this land freely whenever it is needed by them and the Municipal Council have not and the Trust Board may not have any objection to this. I, therefore, request that orders of Government in this behalf may kindly be obtained and communicated very early. A copy of the resolution is enclosed.

Yours faithfully,

City Improvement Trust Board,

MYSORE,

Dated May 4, *19* 53.

OFFICE NOTE.

Subject: G.O.No.L.20609-18/I.T.B.24-52-8 dated 25-2-53 directing that the Jeevanrayanakatte Tank bed be handed over to the possession of the Dasara Exhibition Committee.

The Secretary to Government, L.S.G.Department, in his letter No.A.F.4045 dated 18-7-1952 requested to intimate whether the Trust Board is in possession of the Jeevanarayana Katte and whether they would agree to spare 2 acres of land for the Department, and the Trust Board resolved on 27-8-1952 (T.B.R. No.196) that the land may be leased at Rs.10/- per acre per annum. This was communicated to Government on 1-9-1952. Further a copy of the G.O. vesting the Katte was called for and in reply there-to a communication was sent to the effect that the Katte was in possession of this Trust Board from a long time as Doddakere tank is, but no records could be traced. (B3.C.68/52-53) 16.10.52

Orders have been passed on 25-2-1953 to the effect that the Katte is transferred to the possession of the Agricultural Department. The reference available to show that expenditure was incurred out of Trust Board funds from the year 1914-15 for draining, tidying up and for effecting improvements to the area are detailed below. The report dated 16-10-1952 was to the effect that the Government Order relating to vesting was not traced and th does not amount to the fact that the Trust Board was not in possession of the Katte.

The records relating to grant of site to Sri K.Srikantiah for erecting a rice Mill and acquiring the same in the year 1936 and 1940 are put up for kind perusal. It is seen therefrom that Sri K.Srikantiah, Retired Assistant Commissioner, approached Government in his petition dated 27-12-1908 requesting grant of land for the above purpose and the Board resolved at its meeting held on 31-3-1909 that the site may be granted at Rs.50/- per acre,

P.T.O.

(6)

but the Government did not agree with this proposal and ordered that the amount deposited by him may be refunded. (vide No.1711-2/Ml.506-08-5 dated 16-8-1909). /X

On a further petition dated 27-8-1909, the Municipal Councillors inspected the area and resolved on 29-1-1910 that 3 acres and 6¾ guntas of land to the further north of Nanjaraja Bahadur Chatram be granted at an upset price of Rs.500/- This was approved by Government in their Order No.8834-6/Ml.506-08-9 dated 4-4-1910 subject to such terms /पृ४ as may thereafter be imposed by the Chairman of the Trust Board in the matter of construction, sanitation etc. If the Jeevanarayanakatte vested in Government, they would not have allowed the City Municipal Council or the Trust Board to sell the land to Sri K.Srikantiah. Further they have also accepted in G.O.No.L.4818-22/Ml.128-40-2 dated 23-12-1940 /पृ ५ that Jeevanarayana katte was handed over to the Trust Board from 1-7-1939 with the condition that it should be utilised only for purposes of public entertainment. The tank bed is being maintained by the Trust Board.

At the request of the Nanjaraja Bahadur Chatram authorities, a-n extent of 5680 syds. was acquired for constructing Veterinary Hispensary vide G.O.No.1244-49/Muz.210-35-2 dated 5-3-1936 and a sum of Rs.8600/- was paid as compensation out of the Chatram funds and the acquired extent has been handed over to them. The Rice Mill was acquired as per G.O.No.L.8864-6/Ml.21-39-28 dated 15-4-1940 and /W a sum of Rs.74,314/- was awarded as compensation out of the T.B.Funds.

The tank bed is being maintained by the Trust Board and items of expenditure incurred during several periods as are readily available are noted in the margin*.

1. Tidying up Jeevanrayana katte tank bed and improving the junction of Railway Station and Viceroy Roads: (1914-15): Rs. 886- 9-4
2. Draining of Jeevanarayana katte tank bed: (1928-29): Rs. 1183- 0-0
3. Forming and levelling:(1928-29 & ~~1930-31~~): Rs. 2528-12-0
   Forming bed: (1930-31): Rs. 520-13-0

The tank bed was also leased by the Trust Board agency for circus and similar entertainments. Neither the amounts spent in successive years was paid out of Government fund nor the lease amounts recovered was credited to Government. Even the Exhibition Committee has paid ground rent from 1948-49 and the same remains unpaid for the last two years. As the Government have admitted the amounts spent & and receipts received by the Board from the year 1908-09, it is to be admitted that the tank bed vested with the Board authorities. While passing the above orders, Government do not seem to have been aware of the above facts. The office note will be placed before the Board and Government addressed in the matter after obtaining the views of the Board.

With reference to your letter No.B2.C.45/53-54 dated 4th May 1953, on the subject, I am directed to request you to send a plan indicating therein in different colours and figures, the Jeevanarayanakatte tank bed area as existing now, the area granted to Sri K.Srikantiah for a rice Mill as per Government Order dated 4th April 1910, the area acquired for constructing Veterinary Dispensary, as per Government Order dated 5th March 1936 and the adjacent roads. The total measurement of the present tank bed area may also be kindly intimated.

2. In this connection, I am to state that the observations made in Government Order No.L.4818-22/Ml.128-40-2 dated 23rd ~~Jany~~ December 1940 while recording the administration report of the Trust Board of 1939-40 to the effect that Jeevanarayakatte was handed over to the Trust Board from 1st July 1939 etc were based on the information furnished in the administration report of the year (page 13 of the report received then) as follows:-

"The Jeevanarayanakatte was handed over to the Mysore City Improvement Trust Board from 1-7-1939 as per Government Order No.D.9171-74/AGRI. 177-38-4 dated 21st April 1939, with the condition that it should be utilised only for the purpose of public entertainment."

(13)

no such orders were passed. This fact had already been intimated to you in this office letter No.L.6977/ITB.24-52-5 dated 13th August 1952. Hence, the information furnished in the administration report of 1939-40 based on which observations were made in para 7 of the Government Order No.L.4818 - 22/Ml.128-40-2 dated 23rd December 1940 is not correct.

4. As per your office note the Jeevanarayankatte tank bed was handed over to the Trust Board from 1st July1939 in accordance with the Government Order No.L.4818-22/Ml.128-40-2 dated 23-12-40 which is proved to be wrong as noted in para 3 above. Then the claim of the Board that the area belonged to the Trust Board even prior to 1st July 1939 is therefore not maintenable. These points may kindly be clarified and a note sent with the sketch called for.

5. This may kindly be treated as immediate and the report sent within a week, in order to enable the Government to take early decision.

Subject: Handing over possession of Jeevanarayanakatte to the Exhibition Authorities.

With reference to your letter No.3465/I.T.B.33-53-2 dated 18th June 1953 re: the above, calling for detailed plan showing the Trust Board property and the area acquired for constructing Veterinary Dispensary etc., I am herewith enclosing the plan furnishing the required clarifications. The area formerly occupied by the Cauvery Rice Mills and acquired by the Trust Board has been indicated in blue colour, and the area which is referred to in the Government Order dated 5-3-1936 has been marked in red ---- colour. From the details explained to you during my last visit to Bangalore on 1-9-1953, the stand taken by the Board will be appreciated in as much as large sums of money have been spent over acquisition.

The administration report of the Trust Board referred to in paras 2,3 and 4 of your letter does not distinguish between the area paid for by the Board and the area handed over to the Board as per G.O. No.A.F.1252-4/Agri.188-38-18 dated 20-9-1939 (copy enclosed).

the correct No. of the order is 177-38-18 here.

In view of the foregoing circumstances, I request that Government may be pleased to review their orders and permit the present ownership over the entire Jeevanarayanakatte to be continued by the Trust Board, in future also. As per the undertaking already given orally, the Trust Board will be too glad to co-operate with the Government whenever Jeevanarayana katte is to be made available for public purposes as and when directed by Government.

Sir,

Subject:- Transfer of the control of Jeevanarayanakatte tank bed to the Exhibition grounds.

---:-

In continuation of this office letter No. C2. CR 173/52-53 dated 28th April 1953 on the subject mentioned above, I wirte to state that orders of Government have not so far been received with regard to the re-transfer of the Jeevanarayanakatte to the control of the Trust Boafd in modification of their order No.L. 20609-18/I 24-52-8 dated 25-2-1953.

The question of providing a taxi-stand and also a lorry stand for the city was under consideration of the Council for a long time past, since repeated complaints were being received about heavy congestion at the present taxi stand and also in the lanes and bye-lanes where the lorries are usually parked. At the last meeting of the Council held on 26th December 1953, a proposal to provide for the taxi and lorry stand conveniently in Jeevanarayanakatte area, at the south eastern segment of the tank bed was approved by the Municipal Council. A copy of the sketch is enclosed.

It is understood that the question of retransferring of the Jeevanarayanakatte tank bed to the Trust Board is under the consideration of the Government. It is also learnt that there is a scheme formulated by the exhibition authorities to convert the entire area into a Stadium at a cost of 6.5 lakhs. If this be so the Municipal Council will not be able to realize its object in the matter of making due provision for the proper parking of lorries and

and Taxies. In these circumstances, I request that this aspect may kindly be brought to the notice of the Government before any final orders of Government are passed in the matter.

NOTE SHEET 23(a)

Exhibition Section | File No. of 195

WD 3997—GBPM—1,000—9-9-52

Serial No.

Note on the disposal of the Jeevanarayanakatte grounds Mysore.

The Exhibition authorities have been spending large sums of money every year since the activities of the Exhibition were extended to Jeevanarayanakatte grounds, ever since the year 1948, on the following items of work, apart from the capital investment:-

1. To level up the pits etc., caused by rain,
2. Improving the drains,
3. Formation of roads,
4. For providing permanent Hydrants at a cost of nearly Rs.5,000/- to create water facilities for the Agricultural and Horticultural Demonstration plots and for fire protection and other demonstration purposes,
5. Permanent Flag hoisting cement concrete base and Ashoka Stupa,
6. Permanent constructions for housing Coffee Bar Milk bars for use during the Exhibitions,
7. Two cement concrete Model houses for demonstration purposes, constructed by the Cement Concrete Association of India, Ltd., Bangalore; these properties are vested in the Exhibition.
8. Cement concreting for the stageportion of the Theatre.

In addition to the above, the Exhibition authorities have been incurring the charges on account of maintenance of the grounds, white washing, etc., of the public latrines and the parapet walls alongside the Irwin Road. In recent years, the Municipality or the Trust Board have not been spending anything on account of the above. The question of constructing a permanent stadium, with stalls all around, at a cost of nearly Rs.2,00,000/- is under the active consideration of the Government. Plans and estimates have already been worked out by the P.W.D., in this behalf.

To start the work at any time after the proposals are sanctioned, it is desirable that the possession of the Jeevanarayanakatte area vests with the Exhibition under direct control of authorities, which means/Government itself. This, of course does not come in the way of people round about Srirampet or Dhanvanthri Road making used of the grounds for recreation purposes, or of the children using it as play ground, as is being utilised now. The Trust Board or Municipality may make use of the area whenever they require for their purposes free of any charges, thereby serving all their requirements. It is requested that the present Govt. Order may be retained as it is. However, the Trust Board and the Municipality may kindly be permitted to make use of the area for the purposes enumerated in their letter, free of charges, whenever required.

order No 3665-70 - 07-7-54

Govt have re-examined the question in all its aspects, in the light of the opinion of the Mysore city Municipal Council, the Vice-chairman of the Mysore Dasara Exhibition Committee and the Mysore Trust Board. The Exhibition Committee functions actively only for about a month every year. The Trust Board on the other hand is a statutory body. ~~It has resources and is to maintain parks and such other areas as~~ The Exhibition Committee would not be able to look after the land in the manner the Trust Board can do. ~~The Exhibition Committee will have the land~~ ~~land once a year~~. Govt agree that it might be made available to them without any rent being charges. They therefore direct that in modification of orders dated 25-2-1953, the Devaraya Kallatte Tank Bed area may vest in the C.I.T. Board, Mysore subject to the condition that it should be made available to the ~~Exhibition~~ Mysore Dasara Exhibition Committee whenever needed without any collection/rent.

For orders if this may be communicates having regard to the fact that recently the Mysore city mt. d. has been intimated that the Board has no resources to maintain parks & extensions & that it should take over charge of the areas for maintenance.

Letter No.C.2.P.R.1330/52-53 dated the 28th April 1953 from the President, Mysore City Municipal Council, forwarding the resolution passed by the Municipal Council at their meeting held on 9th April 1953 to the effect that the present arrangement of the control of the Jeevanarayanakatte Tank Bed Area by the Mysore City Improvement Trust Board may be continued allowing free use of the land by the Dasara Exhibition Committee, whenever it is needed by the Committee.

3. Correspondence ending with letter No.B2.C.45/53-4 dated the 9th April 1954 from the Chairman, City Improvement Trust Board Mysore, requesting that the orders passed in Government Order dated 25th February 1953 may be reconsidered and the control of the area revested in the Trust Board.

4. Unofficial Note No.109/53-54 dated the 26th December 1953 of the Additional Director of Industries & Commerce and Vice-Chairman, Mysore Dasara Exhibition Committee, on the subject.

ORDER No.L. 3665-70 / I T B 46-54-2

DATED, BANGALORE, THE 24 JULY 1954

Government have re-examined the question in all its aspects, in the light of the opinion of the Mysore City Municipal Council, the Vice-Chairman of the Mysore Dasara Exhibition Committee and the Mysore City Improvement Trust Board. The Exhibition Committee functions actively only for about a month every year. The Trust Board on the other hand is a statutory body. The Exhibition Committee would not be able to look after the land in the manner the Trust Board can do. The Exhibition Committee will need the land once a year. Government agree that it ought to be made available to them without any rent being charged. They therefore direct that in modification of orders dated 25th February 1953, the Jeevanarayanakatte Tank Bed Area may vest in the City Improvement Trust Board, Mysore, subject to the condition that it should be made available to the Mysore

Dasara Exhibition Committee whenever needed without collecting any rent.
